Chairman's Statement

What a wonderful 08-09 year for THT! I am so proud to be the Chairman of the club and see that the kids are growing up and getting stronger and stronger and our U12 boys moving onto the next stage of rugby, Colts. I can also see more parents enjoying rugby and getting closer to the club. We are now in the 2nd year partnering with the Kowloon Club. With the support of the Kowloon Club, we have done many more things that we would not have done without their support.

We continue with the club's website: www.tht-rugby.org.hk and we would like to thank James Wong (and parents) in maintaining and updating the website with events and photos for all to enjoy. The parents have also continued with THT Touch Rugby Team (and also recruiting non-parents) where the team have entered in many tournaments throughout the year. It is worth a mention that the Team were bowl winners in the CSD Touch Tournament held in December 2008 in Stanley. Well done to the Team and also to the Captain, Scot Wong, for his dedication and encouragement.

In the previous year, we were invited to compete with International Team held in Bangkok. This season we attended the Barclays Cups Tournament hosted in Singapore in October 2008. The enthusiasm from both the kids and parents will guarantee that there will be many more participation of these international events in the future.

Finally, on a personal note, it has been a rewarding experience to serve as the Chairman for THT this past season. I would also like to take this opportunity to thank the coaches and the committee for their hard work and dedication over the past year and for future years to make this Club a success.
